

THE LEGENDARY LEADER BE A STRATEGIC & EMPOWERING LEADER!

JOIN OUR NEXT PROGRAM AND LEARN HOW TO:

- Be Strategic
- Galvanise your Team
- Produce Results
- Engage and Empower

PROGRAM OVERVIEW: THE LEGENDARY LEADER

Strategic, Empowering Leadership to Deliver Results!

Legendary leadership is about setting a vision that engages the team, being strategic to move the organization forward, and empowering people to drive stronger results.

This program provides essential frameworks to create a leadership plan, vision and strategy to achieve your business objectives. And equally as important, how to be a strong people manager to get the best out of your team.

Learn the frameworks to set the vision, engage and galvanise your team, and deliver bottom line results. Be the leader the team admires, respects and works hard for. And generate the synergies of an empowered and productive team.

PROGRAM TOPICS: WHAT YOU'LL LEARN

- Think strategically & create a compelling vision that has pulling power for your team
- Set objectives, strategies and action plans to drive results
- Understand the people in your team; their priorities, preferences and drivers to build strong, committed relationships and results
- Provide a motivating and energising work environment
- Deliver effective feedback and coaching to drive enthusiasm and productivity
- Galvanise the team to work at a high performance level.
